

# Planetary Talismans

---

"Distribute this as thou wilt, HOWEVER if thou profit thereby, then may thou be shunned by all, as a centre of pestilence."

Nehemiah XII 53

## Instructions for making a planetary talisman

---

1) Decide which planet the operation falls under. Here are some guidelines :

- Sun - Riches, honour, freedom, great balls of fire !
- Moon - Dreams, religion, secrets, women's 'problems'.
- Mercury - Intellect, science, writing skills.
- Venus - Riches, art, love, SEX.
- Mars - Reckless deeds, violence, BLOODSHED.
- Jupiter - Ambition, morals, justice.
- Saturn - Death, trustworthyness.
- Others - what others ??

2) Maketh the talisman, using only materials sympathetic to that planet.

Sun     Gold  
Moon    Silver  
Mercury  Mercury or tin  
Venus    Copper  
Mars     Iron  
Jupiter  Silver or tin  
Saturn   Lead

It is suggested that you employ the magic square, and the sigil of the spirit (for evil works), or the sigil of the intelligence (for good workings).

The rest of the design is left to the ingenium of the magician.

3) Now all that is left is to charge the talisman. It is better to charge the talisman the same day that it is made; in any case, make sure that the planetary aspects are favourable for the operation.

Firstly prepare yourself an ink from the following :

10 dozen Gall nuts  
3 oz Green Copperas  
4 oz Rock Alum

( Mix the ingredients into a pot of water, then boil over a fire of vine twigs (gathered in the full moon of March). Simmer for 13 minutes, or until it has acquired a slightly sticky consistency ). If the ingredients are out of season then pigeon's blood may be substituted.

Take a piece of silk of the appropriate colour, and write on it the names 'Adonay, Ammastius, Anareton, Cosbos, Eloym', whilst reciting Psalms viii and lxxi. After the talisman has been charged, be sure to keep it wrapped in this silk, else it will soon lose its efficacy.

Perform the invocation of the Olympic Spirit who rules over the planet. The method is given in full in the Isagogue of Arbatel, in essence it is as follows :

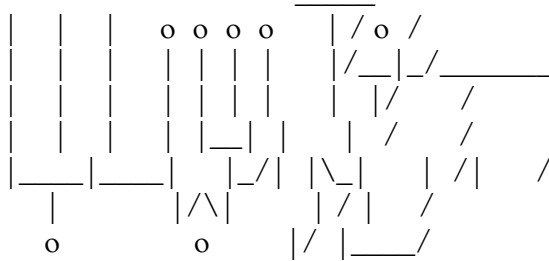

*" O Eternal and Omnipotent God, Who hast ordained the whole creation for Thy praise and Thy glory, as also for the salvation of man, I beseech Thee to send Thy Spirit <insert name>, of the <Solar, Lunar ....> Race, that he may instruct me concerning those things about which I design to ask him (or - that he may bring me medicine against the dropsy, etc). Nevertheless, not my will, but Thine be done, through Jesus Christ, Thine only begotten Son, Who is our Lord. Amen. "*

**The Olympic Spirits are as follows :**

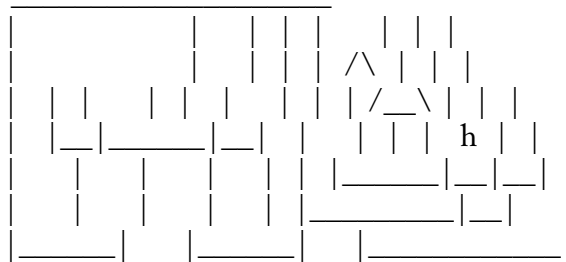

Sun - Och  
Moon - Phul  
Mercury - Ophiel  
Venus - Hagith  
Mars - Phaleg

Jupiter - Bethor  
 Saturn - Aratron

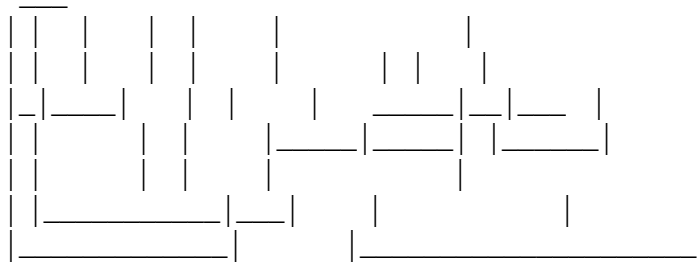

Sigil of Och    Sigil of Phul    Sigil of Ophiel

Sigil of Hagith    Sigil of Phaleg

Sigil of Bethor    Sigil of Aratron

Once summoned to visible appearance it is sufficient to get the Spirit to hold the talisman and swear (In the Name of God) that he will grant your request. (If you have difficulty in commanding the Spirit then you may employ the sigil of that spirit, this should be prepared beforehand and may be drawn on parchment in blood).

**Discharge the Spirit using the following formula :**

*" Forasmuch as thou camest in peace and quietness, having also answered unto my petitions, I give thanks unto God, in Whose Name thou camest. Now mayst thou depart in peace unto thine own order; but return unto me again, when I shall call thee by thy name, or by thine order, or by thine office, which is granted from the Creator. Amen.*

" ..... Be not rash with thy mouth, and let not thine heart be hasty to utter anything before God :  
 for God is in heaven, and thou art upon earth; therefore let thy words be few. For a dream  
 cometh through the multitude of business, and a fool's voice is known by multitude of words."

( Here follow the Kameas of the planets )
