IMPROVE AS NEEDED

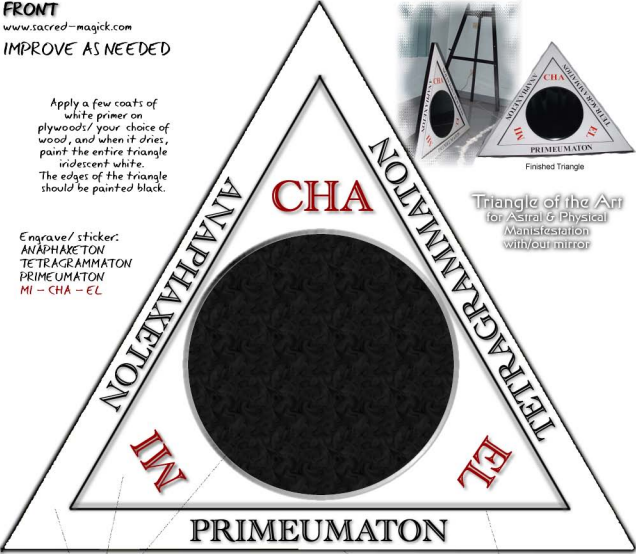

Apply a few coats of white primer on plywoods/ your choice of wood, and when it dries, paint the entire triangle iridescent white. The edges of the triangle should be painted black.

Engrave/ sticker:  
ANAPHAXETON  
TETRAGRAMMATON  
PRIMEUMATON  
MI - CHA - EL

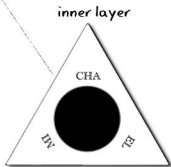

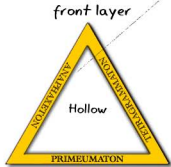

Finished Triangle

Triangle of the Art  
for Astral & Physical  
Manifestation  
with/our mirror

- Build with 2 wood layers: front, and base for mirror placement (make a hole on inner wood layer as stronger base for mirror placement.)
- Magick Mirror, Can be made detachable (5th replacement layer needed - dark glossy green/black)
- Mirror surface equal front layer of the triangle (Inner triangle surface "Mi Cha El" is lower)

Edges painted black.
